**Re: Kasab Trial**

In the true spirit of self regulation, we are glad to note that Ashutosh has brought to our knowledge that a tape is floating in the market claiming to have interrogation of Ajmal Kasab with a price tag & requesting his "peers" to desist from using the tape.

While Ashutosh's mail would be the sounding board for all of you, we would however like to draw your attention to the Advisory dated 18.3.09 requesting all Editors to desist from running any programme/news reports containing the text or details or any other similar material relating to Kasab. A copy of the said Advisory is attached once again for your reference.

You are requested to kindly take a note of the same.

Regards,
