Re: NBDA strongly condemns the physical manhandling of Shiv Prasad Yadav , iTV Correspondent

New Delhi: February 21, 2024: News Broadcasters & Digital Association (NBDA) strongly condemns the incident involving the physical manhandling of Mr. Shiv Prasad Yadav, an iTV Correspondent, by political party workers during the Nyay Jodo Yatra in Rae Bareli.

Such incidents involving physical harm to journalists are not only unacceptable but are also a direct attack on the media's freedom of speech and expression.

NBDA unequivocally states that there can be no justification for manhandling journalists and urges the administration to take immediate action against the erring individuals.
